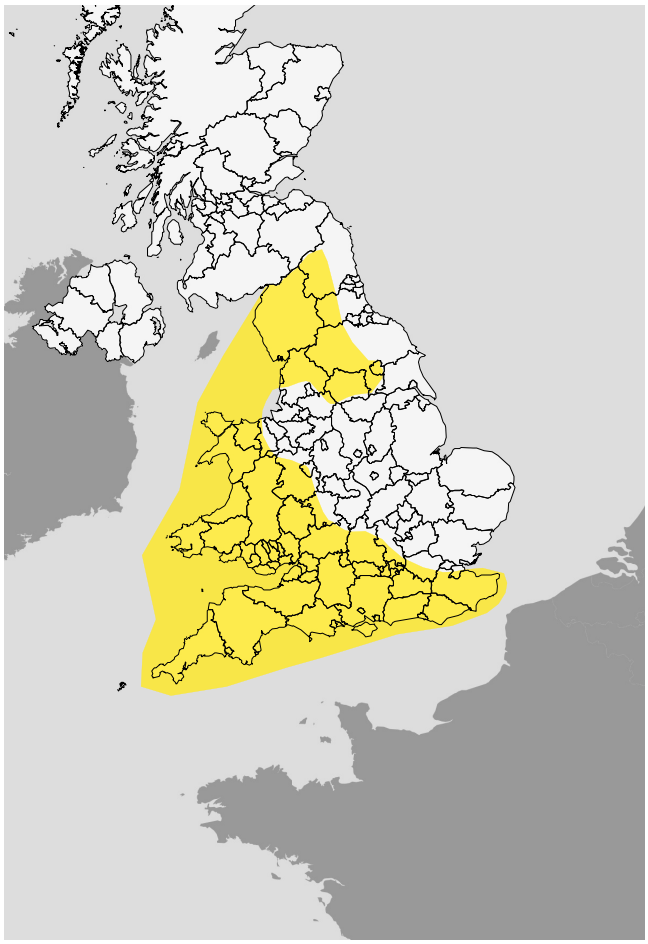
**21:00 Sun 16 Feb 2020**



## Storm Dennis will bring spells of heavy rain at times over the weekend. Some flooding is possible along with disruption to travel.

### What to expect

- Homes and businesses could be flooded, causing damage to some buildings
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Some communities may be cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

### Further details

Spells of heavy and prolonged rain are expected to affect parts of England and Wales over the weekend. Around 20-40 mm of rain will fall widely with 50-80 mm likely across higher ground. Over the high ground of Wales and southwest England 100-120 mm of rain is possible in a few locations.

This rain is expected to fall across areas already wet from recent rainfall.
